REPORT OF TRUSTEES OF TOWN LIBRARIES
LIBRARIAN'S REPORT

Total circulation for the year was 3.699 volumes loaned; of these 3,109 were fiction and 295 non-fiction. The average weekly circulation was 75 books.

There are 145 names in the borrower's register, 39 are summer residents, 24 have moved, leaving 82 active borrowers. There are 48 adults and 34 juvenile borrowers.

The book collection has been increased and improved with 132 new books, 73 of these are juveniles.

Our collection of reference material is very inadequate but has been improved and we hope to gradually improve it to meet the increasing demand. By vote of the trustees the interest from the library trust funds may be used in this department.

During the year there were several gifts of books to the library. Among the larger gifts were nearly 200 volumes given by Mr. Morris Friedsam, none of these have recent imprints. About 100 volumes were given by Dr. Everett Estler and around 25 volumes were given by Mrs. A. W. Spaulding and son Richard, for the juvenile department.

Almost a complete set of 50 years of town reports were given by Mr. Arthur H. Post and a few old town reports were added by Mr. Roger Spaulding. Mr. E. James Winslow has given several very useful volumes to the non-fiction collection.

Rev. N. J. Langmaid gave several books to the same collection. There were several gifts of single volumes.

A new book plate has been designed of which we are proud.

We notice a gradual increase in the use of the reading room and the new addition used for the juvenile room is a wonderful improvement.

Books were exchanged 7 times in West Chesterfield, and 10 times in Spofford during the year.

Respectfully submitted,
SUSIE MORRIS,
Librarian.

WEST CHESTERFIELD BRANCH

The West Chesterfield branch of the Library has around forty readers.

We have loaned 1,102 books in the year of 1940. Our books have been exchanged seven times.

Respectfully submitted,
LINA AMIDON,
Librarian.

SPOFFORD LIBRARY

Books circulated from the Spofford Library since May 1st has been 680 volumes, 560 adults and 120 juveniles.

There are 36 borrowers and we have had our books exchanged with the central library 8 times since May 1st.

Respectfully submitted,
PAULINE RECORD,
Librarian.

REPORT OF THE BOARD OF HEALTH

Four cases of scarlet fever developed in town and were under quarantine for several weeks, also a few cases of impetigo, several people were taken to hospitals, several camps were inspected and one was posted as unfit for use, some complaints were received in regard to dead animals not being properly buried.

Parts of the shore around Spofford Lake had to have special care in order to keep the same safe for swimming and other recreation, rubbish barrels were placed there for the accommodation of the public.

The outlet of Spofford Lake became so filled with sand that very little water could enter the channel causing a fire hazard to the surrounding property, this was remedied. Some water holes could be constructed in the channel leading from the lake for a small sum of money so that in a dry time the water could be held up to a higher level in the lake.

Twenty-five milk licenses were issued, nine of which were issued to buy and sell milk at $2.00 each as follows. Fred Perkins, William Manch, Henry Chickering, Harry Nosek, John Redding, John Ball, Clifford Tuttle, Byron Davis and Wheeler and Taylor of Keene, N. H.

Respectfully submitted,
HAROLD E. RANDALL,
Health Officer.

REPORT OF AUDITORS

We, the undersigned, hereby certify that we have examined the accounts of the Selectmen, Town Clerk, Town Treasurer, Road Agents, Library Trustees, Tax Collector, Precinct Treasurer, and Trustees of Trust Funds, Treasurer of the Library, and Old Home Day Committee, and find them correctly cast and well vouched, except as follows:

Owed to the town by John Bell, 20 cents.

Owed to Newton Darling by the town, $1.15.

Signed,

SHIRLEY G. BEVIS,
Auditors.

REPORT OF FIREWARDS

Fire Department expense for the past year has been considerably larger than usual; owing to the two large fires. (Hoyt's), (Watt's). The two aforementioned fires have caused a considerable over-run of the usual appropriation. For the two out of town fires Chesterfield has been reimbursed by the town of Westmoreland. With the smaller fires we have had very little loss or cost.

CALLS IN CENTER PART OF TOWN

Chimney fires,	3
Dump fires,	3
Oil stove explosion, (Langmaid),	1
House and barn fires, (total loss),	2
Brush fires,	1
	10

CALLS IN WEST PART OF TOWN

Chimney fires,	5
House and barn fires, (at Chesterfield),	2
Out of town calls, (at Westmoreland),	2
	9

CALLS IN EAST PART OF TOWN
(Paid for from this appropriation)

Chimney fires,	2
House and barn fires,	2
Oil stove explosion,	1
	5

We recommend that the Town allow us a little more money to replace some of the hose that burst at the two large fires. Most of the present hose is ten years old. Last year we purchased (400) four hundred feet of new hose, but due to breakage from time to time we are still short of hose which we should have for larger fires. We also have to replace other small equipment each year that it becomes damaged and worn out.

Respectfuly submitted,
JAMES J. ATEMA,
ARVID W. PEARSON,
SHIRLEY G. BEVIS,
Firewards of Chesterfield.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Chesterfield:

I herein submit my eighth annual report as superintendent of schools.

Education today faces a crisis in history and civilization. If we are to maintain the ideals of democracy, we must not forget the boys and girls in our public schools who are soon to be the men and women that have to carry on in a changed world. They will have to cope against far reaching questions and pay enormous debts.

Therefore, it is fitting that we scrutinize carefully our objectives and clarify our methods of procedure. Indeed, in our final analysis we must regard our boys and girls in the public schools as our first and last line of defense. All isms and philosophies that are poisonous to democracy and the American Way of life must be banished from our public schools and colleges. We believe our methods of procedure must follow three lines of thought, viz. (1) an invigorated drill and practice in fundamentals, the efficiency of the "Three R's" cannot be overlooked, the purity of the English language must be maintained, the intellectual activity and vision of life ex-

tended. (2) The pupils must be imbued with a deeper feeling for, sense of appreciation of and a higher respect for the home, the school and the community. (3) Every child must be brought into contact with some situation of life that may give him control of himself, give him the power of decision between right and wrong.

The boys and girls of today are looking not only onward but also upward. Let our training be such that they will see more above them than airplanes but will grasp the fundamental ideas of a Divinity that rules the Universe.

With the coordination and correlation of the above mentioned lines of thought, we may be able to reach our objective, viz. the true Christian American citizen, to whom we may delegate with safety the welfare of the American Way of life, the Constitution and the highest ideals of democracy.
